NEWS RELEASE

Mitsui Mining & Smelting Co., Ltd. to Establish New Marketing Base for Copper Foil Business in China

- For Further Expansion of Business -

Mitsui Mining & Smelting Co., Ltd. (President: Keiji Nishida; “Mitsui Kinzoku,” hereinafter) is pleased to announce today that it is establishing a marketing base for copper foil business in China.

MicroThin™, ultra-thin electrodeposited copper foil with carrier, is a product of Mitsui Kinzoku adopted in semiconductor package substrates for smartphones and HDI substrates for high-end smartphones. It is expected that this business will continue to expand as the fine line of the circuit width and further high-speed communication will proceed.

Under the rapidly growing China market, to develop new customer and earn customer needs early, Mitsui Kinzoku decided to establish the copper foil marketing department in Mitsui Kinzoku Trading (Shanghai) Co., Ltd. This will be the third marketing base in China, following Mitsui Copper Foil (Hong Kong) Co., Ltd. and Mitsui Copper Foil (Suzhou) Co., Ltd.
